

On page 66, please replace section heading (7) (i.e., II. 11-12) with:

77
--(7) Types of mobile communication terminal serving as location information disclosure standards--

IN THE DRAWINGS

In accord with 37 CFR § 1.121(d), Applicants submit herewith for the approval of the Examiner an amended copy of drawing sheet 23/24. Upon approval by the Examiner, Applicants will submit a new drawing sheet 23/24 incorporating the proposed amendments, which is in compliance with 37 CFR § 1.84.

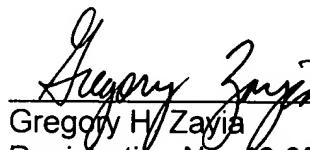

SUPPORT FOR AMENDMENT

The amendments to the specification and drawings were made to correct typographical errors and for clarification. No new matter has been added.

REMARKS

The changes to the specification introduced by the present amendment relative to the original version are shown in Appendix A (attached herewith), wherein bracketing is used to identify deleted material and underlining is used to identify added material. Applicants submit that the application is now ready for examination on the merits.

Respectfully submitted,
